PROFILE

Aspiring MERN Stack Developer and B.Sc. Computer Science (2025) graduate with strong knowledge of HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB. Currently working as a Freelance Full Stack Developer, gaining hands-on experience in RESTful APIs, CRUD Operations, JWT Authentication, Socket.io, Cloudinary, and responsive web application development. Familiar with Git/GitHub, AWS, Vercel, and Render for version control and deployment. Passionate about problem-solving, continuous learning, and building scalable web applications.

PROFESSIONAL EXPERIENCE

Freelance full stack developer

04/2026 – 07/2026
mannarkkad

job-zinda

- Developed full-stack web applications using the MERN Stack (MongoDB, Express.js, React.js, Node.js).
- Built Zinda Learn, a platform connecting students and tutors with responsive and user-friendly interfaces.
- Implemented JWT Authentication and Role-Based Access Control (RBAC) for secure user access.
- Integrated Socket.io for real-time chat between students and tutors.
- Implemented Cloudinary for secure image and file upload management.
- Developed and integrated RESTful APIs and optimized MongoDB databases.
- Collaborated using Git/GitHub.
- Deployed and maintained applications on AWS, Vercel, and Render, ensuring performance and reliability.

MERN Stack Intern

06/2025 – 02/2026
Perinthalmanna

Softrionics

- Completed intensive training in Full-Stack Web Development using JavaScript, React.js, Node.js, Express.js, and MongoDB.
- Gained hands-on experience in Frontend Development, Backend Development, and REST API development.
- Learned MongoDB database operations, CRUD functionality, and JWT Authentication concepts.
- Practiced Git/GitHub for version control and followed modern software development workflows.
- Built a strong foundation in debugging, problem solving, and scalable application architecture.

EDUCATION

B.Sc. Computer Science

2022 – 2025
Mannarkkad

University of Calicut

SKILLS

Technical Skills

- HTML
- CSS
- JavaScript
- tailwind css
- React.js
- Express.js
- Node.js
- Bootstrap
- Git hub
- vercel and render deploy

Soft Skills

- Communication Skills
- Problem Solving
- Time Management
- Adaptability
- Team Collaboration
- Willingness to Learn
- Attention to Detail

PROJECTS

Zinda Online school

React.js, JavaScript, HTML5, CSS3, Bootstrap, REST API, Git)

it is a full-stack MERN web application that connects students with tutors through a secure and user-friendly platform. It features JWT authentication, role-based access control (RBAC), real-time chat using Socket.io, and Cloudinary integration for file uploads. The application provides a responsive interface and RESTful APIs for seamless learning and communication.

FASTVOTE

React.js, JavaScript, HTML5, CSS3, Bootstrap, REST API, Git)

it is a secure online voting platform developed using the MERN Stack. It enables users to participate in elections through a responsive and intuitive interface while ensuring secure authentication and accurate vote management. The application uses RESTful APIs for efficient data handling and delivers a smooth, reliable voting experience across devices.

CERTIFICATES

MERN Full Stack Training & Hackathon Participation

Softrionics (ISO 9001:2015 Certified Institution)
